Utah Pole Vault Academy is an official UCS Spirit distributor and as such, pole are UCS Spirit poles. However, a few poles in our inventory are not UCS poles that are being replaced as funding permits. Specific details on poles, including flex numbers upon request.

Updated: 8/13/2020

Highlighted poles are the 25 poles recommended by Jan Johnson and @TeamHoot to be those needed by the majority of athletes throughout a high school pole vaulting career. Bolded pole sizes are poles within the UTPVA inventory. Grey pole are poles we are still working on collecting with your support.
